Dear Mr Eckerman

**Waste Electrical and Electronic Equipment (WEEE) Regulations 2013 as Amended
2016 Declaration of Compliance**

Thank you for submitting the 2016 declaration of compliance for your scheme.

We have assessed your declaration to establish it was correct and that you had met your obligations. As part of this process we reviewed whether:

- basic information is properly completed on the declaration
- there is consistency between the declaration, evidence on the Settlement Centre and scheme quarterly return data
- data given in the declaration is accurate

I am pleased to inform you that the declaration of compliance for Northern Compliance Ltd is satisfactory.

I hope this is helpful. If you have any questions please contact Peter Spink on +4420 302 53836.

Yours sincerely

Michael Brame
