Dear Mr Eckerman

**Waste Electrical and Electronic Equipment (WEEE) Regulations 2013 as amended - 2017 Declaration of Compliance**

Thank you for submitting the 2017 declaration of compliance for your scheme.

We have assessed your declaration to establish it was correct and that you had met your obligations. As part of this process we reviewed whether:

- basic information is properly completed on the declaration
- there is consistency between the declaration, evidence on the Settlement Centre and scheme quarterly return data
- data given in the declaration is accurate

I am pleased to inform you that the declaration of compliance for WEEE Light is satisfactory.

I hope this is helpful. If you have any questions please contact your EA Account Manager.

Yours sincerely
